

PETITION TO SAVE OUR SCHOOLS

To the Minister of Education and Vancouver School Board

McBride Annex is on the list for possible closure in 2016 in our Vancouver-Kensington neighbourhood. This is a direct result of the BC Liberal government underfunding of public education. The closure of any of these 12 schools would fundamentally change our neighbourhood, and families would be disrupted as they would be redistributed to new schools across the east side of Vancouver. We the undersigned call upon the Ministry of Education and the Vancouver School Board to save our schools.
